

Parents & Students –

We wanted to give everyone who participated in the Carolina Carillon Holiday Parade a HUGE THANK YOU!! You showed up in gloomy weather, put your best foot forward, and brought a ray of sunshine to everyone who attended the parade and to all who watched at home on their televisions. The holiday parade is an event we have quickly grown to love and love that you and your children love participating in it! This studio wide bonding activity would not be a success each year without our...

- ... parents, students, & staff who participate!
- ... photographers who help us capture these sweet memories!
- ... parents who drop off & pick up our participants!
- ... friends & family who come out and watch the parade!

Without each and every one of you, we could not have done it.

THANK YOU!!
