DID YOU KNOW THAT BAILEY FINE ARTS HAS AN AWARD WINNING COMPETITION COMPANY? A team where all members participate in a full company piece that has brought home **first place** every season for the last 5 years! The members of the competition company have all chosen **dance as their primary extracurricular activity** knowing that being a part of the company requires extra commitment to the studio. This choice comes with HUGE benefits – **friendship, teamwork, skill growth, sisterhood, and travel!**

Every Spring the team hits the competition circuit and has never failed to bring home top awards. This season's team has 32 members and will attend their first competition of the year this month in North Myrtle Beach.

Follow the competition company on Instagram by searching "bfacompetitioncompany" to keep up with this year's team! Interest meetings and auditions are held at the start of every new dance year if your dancer is interested!
