

Message from Mrs. Cari, Artistic Director...

Happy Holidays to everyone! In the spirit of giving this season, I'd like to share with you about the company our dance studio is home to (and I am Artistic Director of), Dance Theatre of Columbia. DTC is a not for profit organization that benefits local children's charities. Many of our dancers spend lots of rehearsal hours each season preparing for an annual production to benefit one of these charities. This year we are thrilled to present **Red Riding Hood** on March 1st at the Keenan High School Auditorium! We invite you to join us for this performance and the many fun events leading up to it to help us benefit this year's charity, Prosperity Project. The first of these events is the Parents Night Out sponsored by DTC. What a great time to get in a little holiday shopping while the kids are having fun at the dance studio...and support a great cause!

Wishing each of you many blessings this holiday season!
