January Newsletter

From the Staff at BFA...

Wishing you and yours many blessings in the new year!

*"We dance for laughter,
we dance for tears,
we dance for madness,
we dance for fears,
we dance for hopes,
we dance for screams,
we are the dancers,
we create the dreams."*

Please be sure to check out all of the exciting things that are happening with the **Dance Theatre of Columbia** on page 2 of this newsletter!

A note from the tumbling teacher!!!

Tumbling classes are having a blast and picking up some exciting tricks. Each person has mastered at least one new skill and we have many that are perfecting their cartwheels, walkovers, the valdez and even aerials. We look forward to stunning everyone with our recital piece! You will be amazed at the cool things they are doing!!

You won't want to miss this !!!

#BFABragtag

Starting in February, each BFA teacher will anonymously submit the name of one exemplary student that will be highlighted in the newsletter. The dancer could be featured for a variety of things including accomplishing a dance goal, having a positive attitude in class, perfect attendance and the possibilities are endless. Be sure to check the next newsletter for this exciting addition!!

[Did you know?]

Bailey Fine Arts is the home studio for Dance Theatre of Columbia. Dance Theatre of Columbia is a non-profit organization dedicated to inspiring dancers for life!

Through participation in DTC, our dance students have opportunities to:

- ~ Express themselves through creative dance & movement outside of the typical dance studio regimen
- ~ Work together with other dancers towards common goals
- ~ Practice good physical fitness habits for life
- ~ Serve the community through charitable contributions
- ~ Promote the arts in the greater Columbia area

Do you have a business or know someone who does?? Would you like to be a corporate sponsor of a dance organization that gives back to the community?

Would you like to advertise in our 2014 playbill or perhaps donate an item to our silent auction??
